HONEYWELL 35 SERIES IP SECURITY CAMERAS

Enhance the security of your premises with intelligent video surveillance from the Honeywell 35 Series Cameras made especially for small-to-medium sized businesses and sites.

Our most cost-effective cameras use built-in AI analytics to give you a smart set of extra eyes at all hours.

The 35 Series is available in a wide range of camera types and resolutions, offering exceptional visual clarity, flexible system integration, secure data transmission and easy installation.

Superior HD image quality up to 8MP

SMART CAMERAS SAFE BUILDINGS

Traditional motion detection is simplistic: it just looks for pixel changes. This leads to a higher rate of false alarms. The 35 Series uses an AI algorithm that knows what it's looking at, so that you only receive alarms when a person or vehicle is seen. We call that smart motion detection. *You'll call it peace of mind.*

CYBERSECURE NDAA COMPLIANT

Honeywell 35 Series IP Cameras contain no content or material from any companies or their subsidiaries prohibited under NDAA.

STAY COMPLIANT

- ONVIF Profile S, G, T compliant.
- Stream encryption: when integrated with MAXPRO™ or 35 Series network video recorders (NVRs), your data is protected from end to end with AES256 encryption.

35 SERIES NVR PLUS CLOUD

Reduced Liability Costs

Introducing the Honeywell 35 Series Embedded NVRs, a new, robustly-featured, cybersecure and NDAA compliant NVR solution which delivers 4K HD (UHD) video resolution at a cost-effective price and can grow with your business. Choose a 4, 8, or 16 channel NVR with multiple hard drive options and up to 10 TB of internal storage for an ideal and flexible solution to meet your surveillance needs.

HN35 PRO

HN35 PRO NVRs, a robustly-featured, cost-effective, NDAA Section 889 compliant NVR solution delivering 4K HD (UHD) video resolution perfect for small/medium businesses and enterprises. Choose a 16, 32 or 64 channel NVR with multiple hard drive options and up to 80 TB (8 bays) of internal storage **with fail-over and RAID redundancy features** for a flexible and reliable solution that grows with your business.

ARTIFICIAL INTELLIGENCE FOR REAL SECURITY

Protect your premises. Prevent shoplifting, theft, fraud, and vandalism. Get early alerts of suspicious activity.

The Honeywell 35 Series is your intelligent eye indoors and outdoors, purpose-built for offices, gaming, buildings – small and medium sites of every size.
