

ONX NT2-1X-64

Up to 64 IP Cameras • 2 x 2.5"/3.5" SATA Slot

The ONX NT2-1X-64 Dual Purpose Network Video Recorder is a high-performance, budget-friendly solution built to provide robust surveillance for consumer, small business, and medium enterprise environments.

Purpose-built for seamless integration with the Nx Witness VMS, the NT2-1X-64 offers optimal performance and powerful functionality, ensuring smooth video capture, playback, and management across extensive camera networks.

Housed in a sleek black enclosure, the NT2-1X-64 blends tastefully into any environment, whether a professional office, retail space, or home office without a dedicated network cabinet. With its premium hardware, user-friendly design, and accessible price point, the ONX NT2-1X-64 is the ultimate choice for those seeking reliable, stylish, and cost-effective video recording solutions.
