

ONX RACK

Up to 128 IP Cameras • 4 x 3.5" Storage Bays w/RAID • Nx Witness Video Wall Ready

The ONX Rack is a dual purpose NVR designed for small-to-medium sized businesses and combines recording, viewing, and video wall capabilities into a single, powerful device.

It houses the same hardware as the ONX (NVR-04) but in a rack-mountable chassis.

A perfect solution for all Small-to-Medium Sized Business Applications.
